Pivotel Iridium Satellite plans use the Iridium Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. All calls are charged in 30 second increments unless otherwise stated. Prices include GST and are subject to change. Actual charges may vary on your statement as charges are rounded to the nearest cent before GST is included. Included call value excludes premium calls, calls to special numbers, IDD (international direct dial) calls and premium text. 24 month minimum term. Visit www.pivotel.com.au/coverage for a coverage map. A compatible Iridium Satellite device is required to access the Pivotel Iridium Satellite service (see handset pricing). Pivotel may apply call barring where fraudulent use is suspected or for credit control purposes. You will receive a bill by email from Pivotel listing any payments you have made during the billing period, and a summary of your service usage to enable you to keep track of your overall service usage and monthly spend. Itemised billed and unbilled service usage is available in the secure Selfcare website at www.pivotel.com.au/selfcare.
