WARNING: Satellite International Roaming is very expensive for all types of calls, messaging and data. If you are concerned about the cost of International Roaming, you should not use this service and enquire about a local service in the country in which you are travelling. International Roaming call charges normally take much longer to appear in your account. You should carefully monitor your usage to avoid high bills.

WARNING: Premium Services by their nature are expensive. You should carefully read the terms and conditions of any Premium Services you use, in particular the terms and conditions of any subscription based Premium SMS Services. You can stop specific Premium SMS Services at any time by contacting Pivotel Satellite customer care.
