## Information About The Service

### Description of the Service

Pivotel Iridium Pivot plans use the Iridium low earth orbit satellite network (LEO) constellation of 66 cross linked satellites orbiting the Earth together with a compatible Iridium handset.

You can use the service to make and receive domestic and international voice calls and to send and receive text messages (SMS) within the Iridium Mobile Satellite Network Australian coverage area (see <https://www.pivotel.com.au/our-networks/iridium/>). Within the coverage area, you can access data services including emails and browsing the Internet. Data call charges apply.

### Eligibility

Iridium Pivot 65 Special Thuraya Migration plan is only available to existing Pivotel Thuraya customers who had an active service affected by the Force Majeure Event on Thuraya 3 (T3) Satellite covering Australia on 16<sup>th</sup> April, 2024 .

A working Thuraya handset including the battery and wall charger must be returned to Pivotel to be eligible for this plan.

Users migrating to this special plan must be operating within the Iridium Mobile Satellite Network Australian coverage area. Operating outside the Australian coverage area will be charged at

the applicable value-added services rate (see <https://www.pivotel.com.au/plans-iridium-satellite-phone-plans.html>).

This special migration plan is only available until 31 July 2024.

### Mandatory Goods

You need a compatible Iridium handset to use this service. This Iridium Pivot 65 Special Thuraya Migration plan is only eligible for customers who return a working Thuraya handset including the battery and wall charger, and purchase an Iridium handset from us at a discounted price for this special migration. The special hardware offer ends on 31 July 2024.

### Activation of Service

It is a condition of this service offer that you activate your service within 14 days of your compatible handset device being shipped to you from Pivotel.

### Continuance of Service

After conclusion of the minimum term of the contract, the service will be migrated to the standard Pivotel Pivot 65 plan with no minimum contract term unless you request, in writing, cancellation of the service.
