**WARNING:** International Roaming is available to credit approved customers on request. International Roaming is very expensive for all types of calls, messaging and data. If you are concerned about the cost of International Roaming, you enquire about a local service in the country in which you are travelling. International Roaming call charges normally take much longer to appear in your account.

**WARNING:** Premium Services by their nature are expensive. You can stop specific Premium SMS Services by sending a SMS reply with the word "STOP". You can bar access to all Premium Services at any time by contacting Think Mobile customer care.
